February 23, 2021

Dear Kindergarten Parents:

We are pleased to announce that Kindergarten will be full day, four days a week, effective March 8, 2021. The schedule will run as follows:

- Monday in person full day
- Tuesday in person full day
- Wednesday remote day – virtual learning
- Thursday in person full day
- Friday in person full day

The team has worked diligently to identify space, prepare rooms, schedule busing, and develop lesson plans so we are ready for your child. The district is excited to be supporting our youngest learners to build a solid foundation for their future.

We will continue to identify ways to support all learners K-12 over the next few months. This will involve designing intervention programs, preparing summer school options as well as afterschool supports. As space is further analyzed we will make determinations on student program changes.

We thank you for your support and ongoing partnership through these difficult times.

Sincerely,

Dr. Kathleen M. Davis  
Interim Superintendent
