

ONEIDA CITY SCHOOL DISTRICT

DISTRICT OFFICE

educate • inspire • empower

April 15, 2021

Dear Families and Staff,

On behalf of the Oneida City School District, we hope you and your families are remaining safe and doing your best to follow guidance regarding measures to contain the spread of COVID-19 within our community. Events have continued to unfold, and we recognize that this raises questions about potential impacts on students, families and our full community.

COVID Positive Staff

Today we had two positive students at North Broad Elementary and one positive student at Otto Shortell Middle School. Contact tracing has taken place and individuals impacted have been notified and quarantined.

Please know that the District's priority is protecting the health, welfare and safety of students and staff while complying with any government orders and guidance related to COVID-19 and school operation. As always, thank you for your patience, understanding and flexibility. If you have any questions or concerns, please reach out.

Sincerely,

Dr. Kathleen M. Davis
Interim Superintendent
